

TERMS AND CONDITIONS OF SALE

(United States of America)

THESE TERMS AND CONDITIONS OF SALE (these "**Terms**") of Foundation Building Materials, LLC, a California limited liability company (including its affiliates and subsidiaries, "**FBM**") shall govern the purchase and sale of all FBM products, goods, and materials (the "**Products**") between FBM and any contractor, subcontractor, builder, or other customer purchasing said Products, whether an individual or business entity (the "**Purchaser**"). These Terms, and to the extent applicable, FBM's Terms and Conditions of Commercial Credit, which are available at www.fbmsales.com/salesterms/ (the "**Credit Terms**"), are hereby incorporated by reference into any and all purchase orders, pick tickets, quotations, invoices, or other form of acknowledgement between the parties concerning the purchase, sale, and/or supply of Products (each, an "**Order**") as if fully set forth therein.

1. ACCEPTANCE OF TERMS. Any of the following shall constitute Purchaser's unqualified acceptance of these Terms: (a) issuance of an Order for the Products; (b) accepting delivery of any Products per an Order; (c) altering, modifying, installing, assembling, disassembling, relocating, or other use of the Products after FBM's delivery thereof; and (d) payment for any of the Products. Additional or different terms or conditions proposed by Purchaser, including any additional or different terms provided by Purchaser in an Order, are hereby expressly rejected, null and void, and shall be of no force or effect unless otherwise explicitly acknowledged and agreed to in writing by FBM.

2. SIGNATURES. Signatures are not required on delivery documents in order for FBM to enforce these Terms. Any and all persons issuing and/or executing Orders on behalf of Purchaser hereby represent they are authorized to do so, and Purchaser hereby affirms and ratifies any person issuing and/or executing an Order on behalf of Purchaser is authorized to do so.

3. REJECTION OF OTHER TERMS. These Terms supersede and replace all prior oral or written agreements, proposals, memoranda, correspondence, or other communications between the parties, excepting a written agreement to the contrary signed by both parties. Any additional, inconsistent, or different terms or conditions contained in Purchaser's Order or other documents submitted by or on behalf of Purchaser at any time (including any "prime contract" or "master contract" with a builder, project owner, or general contractor), whether before or after the date hereof, shall be deemed a material alteration of these Terms, and is expressly rejected by FBM.

4. PAYMENT TERMS; PRICES. Purchaser agrees to pay for all Products in accordance with Purchaser's credit account with FBM, or in the absence of such a credit account, per the terms of the invoice issued by FBM for such Products. Any pricing quoted by FBM or presented in a bid to Purchaser shall expire within thirty (30) days following issuance thereof, whether communicated in person, by telephone, or in any written form including email. FBM also reserves the right to adjust prices contained in an Order for those Products that are not shipped or invoiced within thirty (30) days of the date of the Order. Accordingly, as of the 31st day after such quote, bid, or Order, pricing for said Products may automatically increase to reflect current market prices. Payments required to be made to FBM by Purchaser shall not be subject to any setoffs, deductions, retainage, withholdings, or claims, unless otherwise agreed to in writing by FBM. Prices do not include any sales taxes or other charges levied by any governmental authority upon the sale, use, or transportation of the Products, all of which shall be paid by Purchaser at the time of sale unless Purchaser supplies a valid sales tax exemption certificate to FBM. Regardless of any statement appearing on a check or otherwise, FBM shall have the right to set-off any amounts Purchaser owes against any amounts payable to Purchaser, and FBM's acceptance of a payment in an amount less than due shall in no way constitute an accord and satisfaction, nor prejudice FBM's rights and remedies to collect the full amount due. **UNDER NO CIRCUMSTANCES SHALL PAYMENT TO FBM BE CONDITIONED UPON PAYMENT TO PURCHASER BY THE END-USER OF THE PRODUCTS OR OWNER OF THE PROJECT FOR WHICH SUCH PRODUCTS ARE BEING SUPPLIED.**

5. DELIVERY. FBM shall tender Products ordered to the destination designated in the applicable Order (each, a "**Delivery Point**"), within a reasonable time after FBM's receipt of Purchaser's Order, subject to the occurrence of a Force Majeure Event (as defined in Section 16). All shipping dates are approximate and not guaranteed, and FBM shall not be liable for any delays, loss, or damage in transit. FBM shall deliver the Products to each Delivery Point using industry standard methods for packaging and shipping of such Products. Unless otherwise indicated in the Order, Purchaser shall be responsible for all loading and/or unloading costs and for providing equipment and any necessary labor. Purchaser represents and warrants it has the ability, requisite authority, and/or permission to grant FBM access to the Delivery Point to complete the delivery of the Products per its Order (e.g., specifically for ingress, egress, unloading and deposit of Products, and all related and necessary activities thereto).

6. PARTIAL SHIPMENTS; DELIVERY ACCEPTANCE. FBM may, in its sole discretion, without liability or penalty, make partial shipments of Products to Purchaser. Each such shipment shall constitute a separate sale, and Purchaser shall

pay for the units shipped whether such shipment is in whole or in partial fulfillment of Purchaser's Order. If, for any reason Purchaser (or a representative of Purchaser) is not available to execute or does not execute the delivery ticket at the time of delivery at the Delivery Point the quantity of any installment of Products as set forth on such delivery ticket as recorded by FBM shall be conclusive evidence of the quantity received and delivered unless Purchaser can provide conclusive evidence proving the contrary. If FBM is unable to deliver the Products at the Delivery Point on such date because Purchaser did not provide appropriate instructions, documents, licenses, or authorizations: (a) risk of loss to the Products shall pass to Purchaser; (b) the Products shall be deemed to have been delivered; and (c) FBM, at its option, may store the Products until Purchaser picks them up, whereupon Purchaser shall be liable for all related costs and expenses, including, without limitation, storage and insurance.

7. TITLE; RISK OF LOSS. For those Products tendered to Purchaser at FBM's warehouse, both title and risk of loss shall transfer to Purchaser when the Products are loaded onto Purchaser's vehicle(s) or Purchaser's carrier's vehicle(s). For Products delivered to a Delivery Point, title and risk of loss shall vest in Purchaser at the time the Products arrive curbside at such Delivery Point address. Any damages related to any handling of the Products by Purchaser or any third party after such transfer shall be at the sole and exclusive risk and cost of Purchaser. Subject to Section 8 (Inspection of Products) and Section 12 (Limited Warranty), FBM shall have no responsibility to repair or replace any Products that have been removed from packaging, altered, installed, assembled, or otherwise relocated from the original Delivery Point by any party other than FBM. FBM shall have no responsibility for securing the Products from any risk once delivery is completed (including, without limitation, weather conditions, theft, or improper storage).

8. INSPECTION OF PRODUCTS; NOTICE OF DAMAGE. Purchaser shall promptly inspect any and all tendered Products for any reasonably discoverable damage or non-conformity within forty-eight (48) hours of tender and notify FBM in writing (email is sufficient) of any such damage or non-conformity. If Purchaser does not notify FBM of any purported damages or non-conformities which would have been reasonably discovered in the course of such an investigation, but which were in fact not made within said forty-eight (48) hour period, such failure shall constitute irrevocable acceptance of the delivered Products and act as a waiver of any damage or non-conformity. Following timely notice of damaged or non-conforming Products tendered to Purchaser, the sole remedy for Purchaser shall be, at FBM's election: (a) repair or replacement of the damaged or non-conforming Products; or (b) refund of the price paid by Purchaser for such damaged or non-conforming Products (upon return thereof to FBM).

9. SET-OFF RIGHTS. To the fullest extent permitted by law, FBM shall have set-off rights against all money, accounts, rebates, credits, and other property of Purchaser, now or hereafter in possession of or maintained by FBM, and such right of setoff may be exercised without demand upon or notice to Purchaser. No right of setoff shall be deemed to have been waived by any act or conduct on the part of FBM, or by any neglect or delay to exercise such right of setoff.

10. CANCELLATIONS; RETURNS. If Purchaser fails to make payment as required by the Terms, or otherwise fails to comply with these Terms or act in accordance with any other agreement between Purchaser and FBM, then FBM may, at its option and in addition to other remedies, cancel any unshipped portion of Purchaser's order without liability, in which case Purchaser shall be responsible for all unpaid amounts for Products already delivered. Except as set forth in these Terms, Products cannot be returned, and orders, once accepted by FBM, cannot be cancelled without FBM's prior written consent, which may be withheld in FBM's sole discretion. All Products accepted by FBM for return and refund are subject to a restocking fee of twenty percent (20%) of the price of cancelled or returned Products, plus shipping costs, which shall be paid by Purchaser. **ALL SALES OF SPECIALTY PRODUCTS AND CUSTOM ORDERS ARE FINAL AND NOT ELIGIBLE FOR RETURN OR REFUND.**

11. SECURITY INTEREST; LIENS. As security for the prompt and complete payment of any and all amounts owed to FBM for Products hereunder, Purchaser hereby grants FBM a security interest in all Products supplied by FBM to Purchaser, as well as all the proceeds thereof. Such a security interest is and shall continue as a first-priority security interest in the Products whether by virtue of the priority accorded purchase-money security interests under applicable UCC provisions or otherwise. Purchaser shall take all actions FBM deems necessary or desirable to perfect its security interest and maintain its first priority and irrevocably authorizes FBM to file financing statements and amendments thereto in such places as FBM determines necessary or ideal (without the need for Purchaser's signature where permitted by the UCC). Upon request of FBM, Purchaser shall execute and deliver to FBM a separate security agreement under which Purchaser grants FBM a security interest in the Products.

12. LIMITED WARRANTY. FBM DOES NOT DESIGN, MANUFACTURE, OR FABRICATE THE PRODUCTS IT DISTRIBUTES, BUT IS RATHER A RESELLER OF SUCH

TERMS AND CONDITIONS OF SALE

(United States of America)

PRODUCTS. EXCEPT AS OTHERWISE SET FORTH IN SECTION 13 AND ASIDE FROM FBM'S WARRANTY THAT THE PRODUCTS WILL CONFORM TO THE SPECIFICATIONS SET FORTH IN THE APPLICABLE ORDER, FBM DOES NOT MAKE ANY REPRESENTATIONS, WARRANTIES, OR GUARANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO SAID PRODUCTS. ANY AND ALL IMPLIED WARRANTIES OR REPRESENTATIONS SUCH AS FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, COURSE OF DEALING, USAGE OF TRADE, OR OWNERSHIP OF INTELLECTUAL PROPERTY RIGHTS (WITH ANY AND ALL INTELLECTUAL PROPERTY RIGHTS STRICTLY REMAINING WITH THE MANUFACTURER), ARE EXPRESSLY DISCLAIMED BY FBM. However, FBM agrees to provide and pass-through, to the extent permitted by the respective manufacturer and applicable law, any manufacturer warranty to Purchaser or the applicable end-user. FBM further agrees to act as a liaison on behalf of Purchaser with respect to the manufacturer regarding any manufacturer warranties or defects; *provided, however*, FBM makes no representations as to dispute outcome and retains the right to terminate such efforts in its sole discretion. Purchaser represents and warrants: (a) it will use all Products for business and commercial purposes and not for personal, household, or family uses; and (b) FBM is only obligated to distribute the Products ordered by Purchaser (if FBM accepts such order) without regard to the Product's appropriateness to Purchaser's intended application, whether express, implied by circumstances, or otherwise.

13. DELIVERY RELEASE. In connection with FBM's delivery of the Products, FBM may require access to and use of a designated road, driveway, path, yard, entrance, route, zone, or area at each Delivery Point to complete its performance under an Order. Except for FBM's gross negligence or willful misconduct, Purchaser releases FBM from and assumes full responsibility for any damage, loss, or liability sustained to the Delivery Point and surrounding areas in connection with FBM's delivery to or performance under an Order at the Delivery Point. Purchaser further agrees to indemnify and hold FBM harmless from all Claims (as defined in Section 17) concerning third-party Claims of damage to property as a result of FBM's use of the Delivery Point and/or performance of the delivery at, on, in, to, or about the Delivery Point, except if such damages are caused by FBM's gross negligence or willful misconduct.

14. INSTALLATION DISCLAIMER. In the event FBM is responsible for performing or causing the completion of any assembly, installation, hanging, stocking, scattering, or spreading of any of the Products (the "Services") per the Order, FBM represents and warrants to Purchase such Services shall be performed in a good and workmanlike manner with personnel of required skill and in accordance with generally recognized industry practices. Except as set forth in this Section, FBM disclaims any warranty with respect to such Services as set forth in Section 12.

15. LIMITED DAMAGES. Purchaser's sole and exclusive remedy (and FBM's total liability for breach of the limited warranty in Section 12 above, if any, shall be, at FBM's option: (a) repair of damaged or nonconforming Products; (b) replacement of such Products with a like quantity of conforming products; or (c) the refund of the purchase price of damaged or non-conforming Products, plus reasonable handling and transportation costs incurred for approved returns pursuant to Section 8 herein. **TO THE FULLEST EXTENT PERMITTED BY LAW, FBM'S TOTAL LIABILITY FOR ANY CLAIMS, LOSSES, DAMAGES, OR COSTS WHATSOEVER ARISING OUT OF, RESULTING FROM, OR IN ANY WAY RELATED TO ITS PERFORMANCE UNDER THIS AGREEMENT, IRRESPECTIVE OF CAUSE AND HOWEVER ALLEGED, INCLUDING, WITHOUT LIMITATION, NEGLIGENCE, BREACH OF CONTRACT, STRICT LIABILITY, OR ANY OTHER CLAIM IN TORT, CONTRACT, OR EQUITY, SHALL NOT EXCEED THE TOTAL VALUE RECEIVED OR TO BE RECEIVED UNDER THE APPLICABLE PURCHASE ORDER.** Consequential and special damages shall not be recoverable even if the repair, replacement, or refund remedy for FBM's breach of its limited warranty fails of its essential purpose.

16. FORCE MAJEURE. FBM shall not be liable or responsible to Purchaser, nor be deemed to have defaulted under or breached these Terms, for any failure or delay in fulfilling or performing under the Order, when and to the extent such failure or delay is caused by or results from acts beyond FBM's reasonable control, including without limitation, the following events (each, "Force Majeure Event"): (a) acts of God, flood, fire, earthquake, explosion, or other catastrophes; (b) supply constraints or inability to obtain Products from usual sources of supply; (c) war, invasion, hostilities, terrorism, riot, or civil unrest; (d) governmental order, law, directive, mandate, or action; (e) embargoes or blockades, tariffs, or trade restrictions; (f) national or regional pandemics or epidemics; (g) strikes, labor stoppages, slowdowns, or industrial disturbances; and (h) shortage of adequate power or transportation facilities. FBM shall use diligent efforts to ensure the effects of such Force Majeure Event are minimized and resume performance of its obligations as soon as reasonably practicable after removal or ending of such cause. In the event FBM's failure or delay remains uncured for period of ten (10) consecutive business days, either party may terminate the applicable Order.

17. INDEMNIFICATION. Purchaser agrees to defend, indemnify, and hold harmless FBM and its present and former, direct and indirect, parents,

subsidiaries, affiliates, employees, officers, directors, shareholders, members, agents, representatives, permitted successors, and permitted assigns (the "FBM Parties"), from and against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind and whatever nature (the "Claims") which Purchaser ever had, now has, or hereafter can, shall, or may have against any FBM Parties for, upon, or by reason of (collectively, the "Indemnity Claims"): (a) any resale of the Products by Purchaser to a third-party; (b) FBM accessing or using the Delivery Point to perform or attempt to perform delivery pursuant to an Order; (c) the assembly, installation, modification, possession, or use of the Products; or (d) the transportation, unloading, spreading, stocking, scattering, or storage of said Products except where FBM is providing such services under the Order and is negligent in providing such services. Without limiting the foregoing, any obligation of FBM to indemnify, release, defend, and hold harmless Purchaser shall apply to and be binding upon FBM only to the extent of FBM's negligence or willful misconduct. Under no circumstances does FBM waive the contributory negligence, comparative fault, or conduct of others nor does FBM agree to waive any rights and protections afforded to FBM by statutory law or regulations. Any obligation for FBM to defend or indemnify Purchaser shall be limited to the extent such claim for damages is reasonably attributable to FBM's acts or omissions.

18. U.S. FOREIGN CORRUPT PRACTICES ACT. FBM and Purchaser each represent and warrant it understands and shall comply with the U.S. Foreign Corrupt Practices Act and all other applicable anti-bribery and anti-corruption laws of the jurisdictions under which each party is or may be acting hereunder.

19. EXPORT CONTROL REGULATIONS. All Products sold by FBM are subject to the export control laws of the United States, and Purchaser agrees not to divert or resell the Products contrary to such laws. If any license or consent of any government or other authority is required for the acquisition, carriage, or use of product by Purchaser, Purchaser shall obtain the same at its expense and provide evidence of the same to FBM on request. Failure to do so shall entitle FBM to withhold or delay shipment, but failure to do so shall not entitle Purchaser to withhold or delay payment of the price therefor. Any expenses or charges incurred by FBM resulting from such failure shall be paid for by Purchaser within ten (10) calendar days of receipt of FBM's written request.

20. GOVERNING LAW; VENUE. The validity, performance, construction, effect, and all claims and controversies which may arise under these Terms shall be governed by and construed in accordance with the laws of the State of California, without giving effect to any choice of law or conflict of law provision or rule causing the application of the laws of any jurisdiction other than the State of California. The United Nations Convention on Contracts for the International Sale of Goods or any subsequently enacted treaty or convention shall not apply or govern these Terms or the performance thereof or any aspect of any dispute arising therefrom. **THE PARTIES WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION, CLAIM, OR PROCEEDING RELATING TO THESE TERMS.**

21. MISCELLANEOUS PROVISIONS. Any obligation of FBM, which may arise under these Terms or any obligation or liability which may be incurred by or pursuant to any other instrument, transaction, or undertaking contemplated hereby shall not be personally binding upon, nor shall resort for the enforcement against the property of, its directors, shareholders, officers, employees, or agents, regardless of whether such obligation or liability is in the nature of contract, tort, or otherwise. Purchaser may not assign any interest in, nor delegate any obligation under these Terms, by operation of law or otherwise, without FBM's prior written consent. Any assignment or attempted assignment in contravention of the foregoing shall be null and void, and shall permit FBM, in addition to any other rights it may have, to terminate all Orders. If it becomes necessary for FBM to undertake collections of delinquent balances owed to FBM by Purchaser, Purchaser agrees to pay any cost of collection, regardless of whether suit is instituted, including reasonable attorneys' fees in the event of a lawsuit or appeal, along with any post-judgment collection actions necessary to enforce any judgement rendered. Purchaser acknowledges and agrees in the event FBM files a lawsuit to collect any sums due, such action shall be initiated in the state in which the FBM branch supplying the Products is located, and in the county or parish of FBM's choosing. The unenforceability or invalidity of any one or more portions of these Terms shall not render any other otherwise enforceable provisions unenforceable or invalid. The failure of FBM to enforce any condition of these Terms is not a waiver of the right to enforce each and every condition contained herein. No provision of these Terms is waived unless such waiver is in writing and signed by the Parties. Which party prepared these Terms shall have no bearing on their construction in favor in any party.

22. DATA PRIVACY LAWS. For information on FBM's collection, storage, use, or processing of personal information, or its compliance with applicable data privacy laws, please visit FBM's Privacy Policy available at www.fbmsales.com/privacy-policy/.
