Hello FBM Family,

I am pleased to announce that FBM has completed the acquisition of Inland Empire Drywall Supply, a two-branch gypsum distributor in Spokane Valley and Kennewick, Washington.

Started in 1950 by Dale Matthews to serve the contractors of the Spokane Valley, the Inland Empire Team has worked for over 74 years building a reputation of superior service to local residential and commercial drywall contractors.

Jeff Branson, the grandson of Dale, will continue with FBM as a District Manager in S.E. Washington, and he will report to Regional Vice President, Jim Lujan. The new FBM - Inland Empire Drywall branches will be part of the Pacific North Region #910. Jeff Branson's email is: jeff@inlanddw.com.

Please join me in welcoming the Inland Empire Teams to the FBM Family.
