**Customers - going forward, please reference the following website to track along with FBM price increase announcements.**

**<https://www.fbmsales.com/price-increases/>**

Please be aware that FBM is listing increases as they are announced from our manufacturers. **These percentages could change at the time of increase.** At FBM we try to give you the latest information in a timely manner, however in these volatile times pricing information can change daily. We appreciate your patience and understanding.

Our policy is to honor all job quotes committed within 30 days of the quote date, provided we receive a written commitment stating we have been awarded the job. All jobs not awarded within 30 days are considered void.

As always, we greatly appreciate your business and look forward to continuing to serve you. If you have any questions, please contact your FBM Sales Representative for more details.

Sincerely,

The Team at Foundation Building Materials
