Valued Customer,

As you are aware by now our industry is continuing to experience sporadic material cost increases that subsequently drive tool & accessory costs up. Increase percentages and advanced notice are inconsistent at best; some suppliers are offering 15-30 days notice, others are not.

With that said, please note the following Manufacturers/Suppliers will be experiencing increases within the next 15-30 days (Approx. 4/1/25). Please contact your Sales Rep for specific details* on these increases.

Shurtape Products (Approx. +5%)

Katana Hot Knives & Accessories (Approx. +10%)

Raptor Rasp (Approx. +10%)

Homax (Approx. +4%)

EZ-Firetape (Approx. +5.2%)

Olfac (Approx. +3.3%)
