Price Increase Announcement

Dear Flex-Ability Concepts Customer,

Due to increased material and business costs, we find it necessary to increase the prices of our products. The increases are generally 10% depending on the product. The new prices take effect 17 May 2025. All quotes given after today, for delivery May 17 or later, will use this updated pricing.

Shipping orders the same day they are received continues to be a priority for us and, thanks to our suppliers, this continues to be the case for almost all orders.

We are grateful to you, our dealers and distributors, for your support. Thank you.

Best regards,

Robert Widmer
